## IL MODELLO DELL'ANIMA SCULPTURE

\$1,170

### DESCRIPTION

Craftsmanship takes center stage in this remarkable wooden sculpture inspired by the subtle elegance of trees and nature. The sculpture is fashioned of layers of light and dark wood, hand-assembled and carved to form a captivating sphere that boasts a textured surface achieved by chiseling it with a gouge. The resulting surface captures and reflects the light in a myriad of striking reflections. Blending classic aesthetic with modern sophistication, this piece will imbue any space with timeless appeal.
