## IMPERIAL SEVEN-CANDLE CANDLEHOLDER

\$2,970

### DESCRIPTION

This candle holder has a classic charm and will be an elegant addition to any home, thanks to its exquisite silhouette, the sinuous curves of its six arms, and the cool glow of the silver with which it is plated. It can be used to add a touch of luxury to a dining table or a living room and it can be used alone or paired with a twin to accent a console in an entryway. It is entirely made of silver-plated metal and it doesn't require upkeep.
