IMPERIALE CENTERPIECE

\$1,770

DESCRIPTION

This entirely hand-made sculpture is part of the "Meduse" series and is crafted with the vetrofusione technique, where the glass is exposed to temperatures so high that they alter its molecular process, changing its shape and creating a new form. This striking jellyfish-like creature in dark blue features a body with an interesting hexagonal texture and a series of tentacles creating a dynamic illusion of motion.

DETAILS & DIMENSIONS

- Material: Glass
- Dimensions (in): W 14.96 x L 14.96 x H 7.48
- Dimensions (cm): W 38 x L 38 x H 19
- Handmade In Italy
