IMPERO MARTINI CARAFE

\$5,350

DESCRIPTION

Part of the Impero Collection, the perfectly balanced proportions of this carafe epitomizes the elegance of the Neoclassical style of early 19th century Europe. Supported by a round base with fluted detailing, the clean lines of the polished cup are embellished with a small palm design around the top rim and an elegant handle in the shape of a swan's head. The carafe features a built-in strainer, while the Martini stirrer spoon is sold separately.
