IMPRONTE F2 CENTERPIECE

\$180

DESCRIPTION

Hypnotic and unique, this centerpiece is a superb object of functional decor part of a collection of 12 pieces called "in genesi di forma" (meaning "in creating forms") by Roberto Monte. It is completely crafted by hand in Pietra dei Monti Lattari marble showcasing a raw silhouette that captures the stone as it is worked. Only 12 are available, each object is numbered and accompanied by a certificate of authenticity and care instructions.
