INCISI QUARTZ VASE BY PAOLO VENINI

\$5,110

DESCRIPTION

Designed by Paolo Venini in a limited edition of 49 pieces numbered per year, this exquisite mouth-blown glass vase boasts a striking quartz color and a wide shape with an asymmetrical rim. The translucent finish is obtained with the cold engraving technique ("incisi") using a grinder made of stone when the glass surface is cold. This vase is one of five vases in a sophisticated color palette.
