INDIA RUG BY GEORGE SOWDEN - POST DESIGN

\$8,020

DESCRIPTION

This eclectic square rug designed by George Sowden in 2018, was meticulously knotted by hand to account for every dot and squiggle. Framed with a thick green border, this rug is defined by a melange of angular and organic shapes and lines in blue, black, yellow, green, and white that elegantly dance in a red background. The dynamic design will add a playful accent in a minimalist or mid-century living room or bedroom interior. This rug is available in a limited edition of only 36 pieces. Handmade by craftsmen in Yum technique. Materialism Collection.
