INDIGO LEATHER ARMCHAIR

\$5,420

DESCRIPTION

A classic design with a modern twist, this bold armchair will complement a broad variety of interiors with its cosmopolitan flair. Crafted of solid Canaletto walnut with a squared, open frame, the back is supported by leather straps that run vertically and are fastened to the frame with brass frogs, while the seat rests on beech slats. The removable cushions are in a versatile taupe fabric that will suit any interior palette. Showcased alongside other armchairs by the same designer, this dynamic piece will fit the character of any modern interior.
