INDIGO MINIBAR

DESCRIPTION

This magnificent piece is inspired by the timeless elegance of Hollywood in the 30s and 40s. The plinth base supports a rectangle with elegant round corners made in rosewood and covered in the center with nubuck leather with a quilted texture. The two handles are in brass, their warm glow strikingly complementing the color palette of the piece. The functionality of the fridge inside is paired with the exquisite design of the outside for a piece that will make a statement in any room it is placed.
