INDIGO SIDE TABLE

\$3,750

DESCRIPTION

From the Indigo Collection, a collaborative project with Dainelli Design Studio, this chic side table is inspired by 1960s aesthetic functionality: the angular silhouette is accentuated by the rounded corners and the finely tapered legs. Crafted entirely of walnut wood with a stunning Emperador marble top (also available in Afyon marble, or wood), this piece is a subtle sculptural accent for a living room, lounge, kitchen or powder room, giving a minimalist touch to a casual interior space.
