INFINITO QUADRO RUSTY TABLE

\$4,680

DESCRIPTION

This striking table features a structure made of four rectangles in thick oxidized iron that support a top in multi-ply wood that was given a cover in oxidized iron to match the base, and features also the same thickness. Modern in the choice of shapes and materials, this elegant and minimalist table will be a perfect addition to a contemporary living room or dining room, enriching its surroundings with the warm glow of the oxidized iron.
