Euroluce Light of Italy

INFINITY MINUS AQUAMARINE PENDANT

\$1,100

DESCRIPTION

Available in several colors, this exquisite pendant light is designed by Studio in Project to reinvent a traditional lighting fixture with a modern aesthetic. Entirely hand blown of glass, the hourglass silhouette is decorated with an innovative, double-coloring technique (depicted here in black and aquamarine) and hangs from a black nickel ceiling fixture by means of a black cable. The perfect, subtle accent for any kitchen and dining room, this piece can be used solo or arranged in colorful composition for a striking effect.
