INK BROWN SIDE TABLE BY ARCHER HUMPHRYES ARCHITECTS

\$1,995

DESCRIPTION

This stunning side table is an elegant addition to a rustic living room or a contemporary study, where it will be a precious piece to rest a book by an armchair or a drink cocktail during an aperitif. The structure in wood with a sark American walnut finish comprises three thin legs and a round mounting of the top, upholstered in leather. The pale brown of the leather with its soft touch complements the glossy finish of the wood for an elegant effect.
