INSIEME SET OF BLOCK AND CARVING KNIFE WITH CORNTECH HANDLE

\$545

DESCRIPTION

This set of a knife and its block will be a useful addition to a food-lover's kitchen. The wooden block has four magnets that allow it to be placed next to others to create a customized collection of different pieces, according to one's needs. The knife was entirely handmade by one artisan whose initials grace the blade, which is in forged stainless steel. The handle is in cornotech, durable lucite with a natural-looking finish that has the appearance of ox horn.
