INSULA VI MIRROR

\$1,380

---

## DESCRIPTION

Striking and unique, this mirror is a splendid choice for a contemporary entryway, living room, or study. The sleek, round silhouette has a wooden base supporting various mirrored glass elements connected by a steel setting. The addition of brushed copper and black leather inserts marks the intriguing design of this round mirror, rendering the insular landscape of the Mediterranean Sea in an abstract style. This superb object of functional decor is crafted by hand.
