TWILL INTARSIA SIDEBOARD BY BARTOLI DESIGN

\$15,130

DESCRIPTION

Exploring the geometry of the twill, the traditional English fabric with herringbone pattern, this sideboard retains a breezy, minimalistic charm. The cabinet is entirely handcrafted in Italy by the skilled carpenters of Laura Meroni using poplar wood for the structure and different natural woods for the inlay. This elegant furniture piece features two doors that, when open, reveal two drawers, and an adjustable base in bronzed brass. Limited Edition.
