*Galleria Fatto ad Arte*

**INTERMEZZO VASE BY ANGELO MANGIAROTTI**

\$940

## DESCRIPTION

Part of the Sheer Nature Collection signed by Fatto ad Arte Edizioni, this superb vase fashioned of prized crystal was designed by Angelo Mangiarotti. The cylindrical silhouette is defined by a seductive channeled texture interrupted by an unexpected, deep groove that creates a physical break ("intermezzo" in Italian) within the piece, heightening the bold aesthetic character of the piece.
