INTROSPEZIONE BUST SCULPTURE

\$4,740

DESCRIPTION

Revisiting the concept of inner reflection, this remarkable sculpture was crafted entirely by hand of clay with a deep-black finish that highlights its strong emotional impact. The sculpture depicts the armless bust of a man with his hands placed inside his head, a dramatic gesture that contrasts with the soft contours of the piece. Displayed in a living room or private study, this impressive piece by master sculptor Leandri will make a bold statement in any interior.
