INVARIANTS GOLD COFFEE TABLE

\$5,350

DESCRIPTION

Part of the Invariants collection, this exquisite coffee table will be a focal point in a contemporary living room and can be combined with the chairs of the same collection for a post-modern effect, thanks to the elegant and minimalist silhouette and the unique material it is crafted of, developed exclusively by Frisoli. The table is modular and can easily be taken apart. The base is in Frisoli Cloto, with carbon fiber mixed with aerospace material that creates unique decorative patterns on its dark surface. The top is in Frisoli Penelope, with carbon fiber mixed with gold, for a luxe look.
