INVERNO 85 LARGE ROUND LEATHER BOX

\$625

DESCRIPTION

This striking piece of functional design is the product of exquisite craftsmanship and a modern sensibility that give it a timeless allure, which will complement any decor. The finest leather is used to craft this storage basket featuring a perfectly round body and a practical lid, both made in saddle leather dyed using vegetable pigments in an elegant white shade. Either alone, or paired with the other piece from the same series, this basket will be a precious addition to any room in the house.
