INVERNO SIDEBOARD

\$21,255

DESCRIPTION

Two linear geometric legs crafted in brass support this long rectangular wooden sideboard. This work of functional art is one of only 21 specimens in this limited series. An abstract, multi-colored pattern adorns this piece on all sides, top included, enhancing the look of the sideboard while at the same time enriching its surrounding decor. Additional features include two push-pull doors, along with two internal drawers and shelves.
