### IRIDE WHITE ARMCHAIR

\$2,565

#### DESCRIPTION

Behind the effortless elegance of this armchair there is a careful construction and attention to detail to deliver a sense of pure comfort without compromising its sophisticated look. Entirely built on a beechwood frame (like the slanted feet), the generously padded seat is embraced by the sleek, contoured mid-back, impeccably tailored in white fabric with mocha piping. This armchair is highly customizable in other fabric colors or eco-leather. The seat is also available in solid wood, please consult the Concierge for details and list of wood finishes available.
