## IRIS CHEST OF DRAWERS

\$3,925

### DESCRIPTION

Classic and sophisticated, this chest of drawers will be an eye-catching addition to a bedroom or study, where it will not only store everyday necessities, but imbue a room with elegance and timeless allure. Rich in precious details, this piece boasts exquisite craftsmanship in both its sinuous and elongated silhouette and in the cascade of inlay work that incorporates real mother-of-pearls. The solid wood structure alternates bands of cherry, zebrawood and briar root. The handles of the variously sized drawers are also in mother-of-pearl.
