IRIS YELLOW 6-LIGHT CEILING LAMP

\$7,890

DESCRIPTION

This mouth-blown Murano glass chandelier is a refined and delicate lighting work, colored with yellow pastel tones and rich with decorative details that will transform any interior in an artistic environment. Dedicated to the iris flower, the clear structure ends with a large bowl-shaped fondin from where six curved arms stem out, each accented with a large yellow iris at the tip. Sinuous scrolls and smaller irises adorn the entire piece, the three sepals accented with amber and gold veining. Customization is possible in other sizes upon request. Available also in the chandelier version.
