ISAAC DESK

\$11,540

DESCRIPTION

This stunning desk is a fine example of traditional craftsmanship applied to create a unique design. Striking enough to be showcased in any room in the house, this desk is a functional object of decor with a mahogany structure featuring slanted legs and a rectangular top that boasts inserts and side pockets in ruby-red leather. Also available in a larger size (180x62xH75cm), this piece is compact and sophisticated. Other finishes are available as well as a structure in durmast. Please ask the Concierge for details.
