ISOLA DELLA CERTOSA POLYCHROME VASE

\$2,375

DESCRIPTION

Shaped like a globe with a side opening where to insert flowers, this singular vase mouth-blown from Murano glass is an authentic explosion of colors. Its trikes with its mesmerizing design where colorful murrinas are juxtaposed to intricate lattice patterns obtained as a result of the Zanfirico technique. Perfect for enlivening contemporary decors, it is finished with the "battuto" technique that reveals a sequence of different color layers.
