ISOLA SOFA BY GIO MUSSI

\$6,670

DESCRIPTION

Refined and versatile, this sofa will take center stage in a modern decor that will bring a tailored update to any living room. This timeless sofa features a rectangular seat and two L-shaped armrests (each measuring 112x33x87 cm) reinforced with steel inserts built atop a wood frame with high-density, high-resilience polyurethane padding with a protective acrylic layer. The low feet are in black plastic. Marked by sleek and clear lines, this sofa from the Isola Collection is a contemporary reinterpretation of the classic capitonné style that will work well in a variety of interior decors.
