ISOLA YELLOW ARMCHAIR WITH TABLE BY CLAESSION KOIVISTO RUNE

\$4,130

DESCRIPTION

Part of the Isola collection and designed by Swedish trio Claesson Koivisto Rune, this unique chair will make a statement in a contemporary living room. This exquisite piece of functional decor features a metal base of crossing tubes, 18 mm in diameter, with a chrome finish, which complements the vivid yellow hue of the cover that upholsters the shell, made of cold foam. The standout element of this chair is the small side table resting on a metal base and 57.5 cm high. The top of the table is in Biancone marble (also available in black Travertino). Contract and commercial certifications available upon request.
