## ITACA UMBRELLA STAND

\$1,440

### DESCRIPTION

This elegant umbrella stand evokes the simple silhouettes and timeless allure of Etruscan and ancient Roman furniture. Its cylindrical shape, resting on a round base and featuring an open body highlighted with three vertical rods topped with a ring, is made in bronze with an Etruscan finish. The details at the bottom, center, and in the three delicate pine cones at the top are in polished brass. Ideal to complement a classic or rustic setting, this piece will add subtle sophistication to an entryway.
