ITALIA CHEST OF DRAWERS 1944

\$32,010

DESCRIPTION

This unique chest of drawers will make a statement when placed in a bedroom or walk-in closet. The exterior structure is crafted in solid wood with a striking zebra-striped pattern. The front and back of the piece are in ebony macassar wood with a 45 degree cross cut pattern, with eight frontal drawers and an additional lateral and central opening. The base is also in zebra-striped wood, and the sub base in ebony macassar. The interior of the drawers are in maple wood. Designed by Antonio Berdondini, year 1944.
