ITALO DINING CHAIR BY GIANLUIGI LANDONI

\$1,820

DESCRIPTION

Finely tailored details and contemporary lines merge in this elegant chair. Ultra-soft fabric in a rich cerulean shade envelops the smooth-lined seating unit, increasing the comfort already provided by the inner polyurethane foam padding. Tapered oak legs stained in deep black offer excellent support to the 47cm-high seat. This piece is a natural complement for the Italo New dining table by the same designer. Legs also available in Canaletto walnut finish. Also available in other fabrics and leather.
