## ITINERA COFFEE TABLE

\$1,910

### DESCRIPTION

Borrowing its name from the Latin word for journeys, the stunning top decoration of this coffee table is composed of a series of lines that seemingly cut the surface to create a series of abstract lines, or itineraries. This stunning object of functional decor is handcrafted using satin-finished stainless steel for the three-legged base and the mounting of the round top enriched with lacquered steel elements and wood and brown leather inserts. This unique object of functional decor will be a bold and elegant choice for a modern living room.
