## IVY MIRROR

\$9,000

### DESCRIPTION

This magnificent mirror, inspired by the bold elegance of art deco style, features a frame made of wood and covered with lavish gold leaf. The rectangular central element is flanked by side elements that create a stunning geometric decoration. Covered with mirrors with an antique finish, all the pieces that make this exquisite object of functional decor create a majestic effect that will enrich any room, either if placed on a mantelpiece, in an entryway, or in a bedroom.
