## JACO BED FRAME WITH NIGHTSTANDS

\$8,230

### DESCRIPTION

This magnificent bed frame with attached nightstands is entirely made in oak wood with a wenge matte finish. It rests on a laminated stainless steel plinth base and its linear and minimalist silhouette is enriched by a striking engraved series of parallel lines that adorn the headboard and the front panel of the nightstands, each panel containing a drawer. Subtle elegance and modern style make this bed a timeless piece of functional decor. Bed slats, mattress and cushions are not included.
