JACQUELINE POLYCHROME GLASS SCULPTURE

\$5,740

DESCRIPTION

A truly unrepeatable objet d'art, this signed glass sculpture belongs to the Omaggio a Picasso Collection, an exquisite series inspired by the eponymous artist's masterpieces. This female bust handcrafted of polychrome Murano glass reinterprets the original painting depicting Jacqueline, his muse. Blue, yellow, red, and black are combined in submerged filigrees, clouds of color, and surface traits.
