## JADE LOW EMERALD COFFEE TABLE

\$6,340

### DESCRIPTION

A superb and inimitable showcase of craftsmanship, this unique coffee table is part of the Transparency Matters Collection. Entirely crafted by hand through the casting techniques of both resin and brass, it is composed of a one-of-a-kind resin top boasting a polished emerald green tone that result from a unique combination of three layers of mold. The elegant column-style base is a cylinder made of brass enriched by a natural golden finish. Also available in other colors and measures, any variation in the top is not to be considered a flaw but a stylistic choice of the designer.
