**JAMILA VASE**

**\$960**

## DESCRIPTION

This striking vase is flame-glazed, then bent and hand-frosted with a dusting of antioxidant precious metals. The base is in solid metal. The result is an elegant and sleek design created in 1986 and still part of the permanent Guido Niest Privé Collection, whose each piece is numbered and signed. The timeless style and the shiny finish make this vase perfect for both a post-modern and classic decor.
