## JAZZ BLACK SIDE CHAIR

\$2,480

### DESCRIPTION

Contoured arms and a stunning back detail add elegance and charm to this exquisite chair that will make a stylish statement in any dining or seating area. This chair from the Jazz Collection features a curved backrest with tapered armrests that extend gracefully to the cushioned seat, all upholstered in a luxurious black velvet fabric (cat. D col. 026), with the back enriched with a diamond-quilted pattern. Sitting atop an alluring semicircular base made of black-finished metal with three poles in the back, this chair makes the perfect update for stylish seating also in a modern office.
