JIL TABLE LAMP

\$1,750

## DESCRIPTION

Perfect to bring timeless elegance to any room, this table lamp showcases a sophisticated combination of clean-lined silhouette and prized materials. The base is crafted of a single cylinder of white marble enriched with delicate grey veining that supports a dome-shaped shade of smoky gray glass. Accented with a metal ring and slim curved arms of black chrome metal with satin finish, the lamp holder elevates the shade, allowing to diffuse ambient light. This refined piece can be set in a pair on opposite ends of a console in an entryway for a stunning look. Holds three LED max 5W E14.
