### JIMMY FAST DESK

\$2,175

#### DESCRIPTION

This elegant object of functional decor can be mounted on a wall to elegantly and efficiently declutter a contemporary study decor. Doubling as a striking entryway console, this versatile desk can also be used in the living room as a display surface and spacious storage space, thanks to the hexagonal-shaped drawer. This sculptural piece is made of wood with a striking white lacquer and a blue square knob for the drawer equipped with a soft closing mechanism.
