JOE RED SOFA

\$14,915

DESCRIPTION

Defined by balanced proportions, this stunning sofa offers a sophisticated look suitable for a modern living room or private office. Built on a plywood/beechwood structure with multi-density expanded polyurethane padding, this sofa stands on two black angled legs of Canaletto walnut treated with open pore acrylic polish for a smooth, glossy finish. Upholstered in soft eco-nubuck in brick-red (cat. X col. 061), the flared armrests are detailed with a leather strap. Seat and back cushions are filled with quilted goose down. Available also in fabric with removable cushions.
