JOE ROUND TABLE

\$9,185

DESCRIPTION

Part of the Joe collection, this dining table features a unique design that will embellish a contemporary dining room, adding an eclectic accent to a modern home. The structure in metal comprises four trapezoid-shaped legs, supporting wooden elements with an enamel finish adorned with enamel-finished ceramic inserts. This striking structure is visible through the extra-clear crystal round top. This exquisite piece was introduced at Milan Design Week 2018.
