JOE SIDE TABLE

\$3,810

DESCRIPTION

Part of the Joe collection introduced at Milan Design Week 2018, this side table will be a stunning addition to a modern or contemporary living room, either alone or combined with the other pieces from the same series. Its unique structure comprises three triangular legs in brass with a brushed finish supporting a hexagonal insert in wood with a black enamel finish. The top, in the same shape, was crafted of crystal and finished in enamel with two different and contrasting colors, for a striking effect.
