JOY BLACK COFFEE TABLE

\$2,210

DESCRIPTION

This piece is an elegant coffee table whose iron structure is dominated by curved lines. It infuses in any room a sense of lightness and modern simplicity that will make it a striking addition to any decor, particularly a contemporary one. The round top here is in Laminam®, a pure ceramic slab that is the fruit of technological innovation and is extremely thin. Other options are lava stone, marble, GlassArt or the ultra modern nano tech material FENIX NTM®.
