JOYCE SIDEBOARD WITH WOVEN VIENNA STRAW

\$10,470

DESCRIPTION

This sideboard features a black ash wood structure with glass or marble top and brass handles. The piece is complemented by two hinged doors in Vienna straw and two sliding doors. The Joyce collection comes from a combination of past and present, innovation and tradition, trying to shape objects designed to last over time. All the pieces of the collection pursue the values of craftsmanship and manual skills typical of the Italian cabinetmaker tradition, enhancing the beauty of shaped solid wood, the shapes and its natural characteristics. Elegant, sophisticated but simultaneously passe-partout and versatile, the furnishings of the Joyce collection adapt to different types of environments, from the most classic to the most modern, resisting over time.
