JULIE IN BEIGE DINING CHAIR BY EMILIO NANNI

\$1,540

DESCRIPTION

A refined combination of natural materials and contemporary luxury, this dining armchair is a stunning example of artisanal excellence. Flaunting an effortless casual flair in the bleached finish of the beechwood frame and neutral shade of the leather, this chair brings a distinctive style with its set-back, curved armrests and leather-covered seat perfectly framing the interwoven saddle leather backrest. Available also with padded seat covered in fabric, velvet, eco-leather and various wood finishes to create matching color combinations, please contact the Concierge.
