JUNGLE PINK ARMCHAIR

\$7,400

---

### DESCRIPTION

This one-off armchair will bring the allure of tropical landscapes into any decor. The solid walnut frame appears exposed in the two front legs and in the softly-sinuous armrests lacquered in black, while the seat and the towering backrest extending to the floor are both padded with polyurethane foam and wrapped in a jungle-themed upholstery treated with resin and enlivened by pink pipings. Pink velvet covers the back. Please check available customizations with the Concierge.
