K1 16-LIGHT BLUE CHANDELIER BY KARIM RADSHID

\$28,620

DESCRIPTION

This exquisite piece was designed by Karim Rashid in 2014 and reinterprets the traditional Venetian chandelier in a modern way, creating an ethereal sculpture. The structure is made up of a central element in mirror-finished glass from which sinuous transparent glass arms stem in an upward movement. The distinctive accent of this lamp is in the shades, which are of Murano glass and with different geometric shapes that alternate to give a light and elegant sense of movement. K1 is also available in with eight or 12 light - please ask the Concierge for details.
