\$5,860

DESCRIPTION

This 2016 design by Hanna Ernsting & Sarah Böttger is entirely quilted and stitched by hand in Italy using felt. A bold expression of color and form, this rug is a testament to handcrafted rugs, boasting dynamic colors and textures. The unconventional shape is enhanced by the color block quilted geometric sections in fuchsia, beige, red, and black that are stitched together to form a uniform and visually entralling accent piece for minimalist or mid-century decor. This splendid rug is available for customization in other sizes.
