### KALIDA CERULEAN CHAIR

\$2,150

#### DESCRIPTION

Part of a new collection presented at Milan Design Week 2018, this chair features a contemporary look and sleek design that will complement any decor. It is constructed with a black-finished metal frame which supports a comfortable seat and curved backrest made of beech wood with high-resilience expanded polyurethane padding. The cerulean color of the fabric upholstery and the gold-finished ferules add an elegant touch to this chair that is guaranteed to be the highlight of any dining set. Contract and commercial certifications available upon request.
